OTHER INITIATIVES:

1. **Chapter wise quiz:** Chapter wise quiz is conducted virtually through google forms to check the understanding of students after every chapter. It is conducted on every Wednesday where a zero period of 30 minutes. Students scoring 80% and above receive a E- Certificate through their mail. It helps us to know the concern areas of the chapter if any.

2. **Student Motivation Programme:** Through this initiative we want to motivate and encourage students so that they do timely HW submission, to develop speaking skill, artistic talent of students will be enhanced, students who are curious to know things will be addressed and recognized, encourage the students to be regular. We believe both school as well as students will be benefited with this initiative as we strongly believe that appreciation cum recognition at any level or age group builds a positive vibe that leads towards success.

3. **Blogs:** Students are given platform to showcase their creativity by writing Online blogs on their school portal, which can be read by their teachers, fellow students and even across branches. Blogwriting is important as it hones students' creativity, sharpens the brain & performance, promotes self-expression, boosts confidence and improves their communication skills.
4. **Discussion Forums:** Discussion forum are e- Bulletin Boards for students to interact amongst each other and with their Principal and teachers on a variety of subjects. It gives freedom of expression to all students. It will teach them to accept and respect the opinions of other participants along with gaining insight on different points of views on various topics.
5. **SCIENCE FEST** was organised to enhance their scientific and innovative skills and students enjoyed by doing the projects and showcased their talents.

6. :

As we conclude this report; we can say with due satisfaction that the school has made a lot of progress. Much more needs to be done. It is time to think ahead and pro-actively face the challenges of future. In this one year we have proved "Yes WE Can". But our team is not going to rest on our laurels. On behalf of the energetic staff and exuberant students, I assure all this school will continue its march to be among the best.
