Do you play any game similar to hop-scotch? What do you call it? Draw the figure that you make to play the game in the space below.

Answer:

Yes, friends and I play a game called Four Square. One of my friends learnt it from his brother. This game is played on a four-box grid. The boxes are then numbered one through four. Four or more players can play. We have to bounce a ball from box to box, with each player taking turns trying not to hit any marked line or go outside the box. If someone does that, they get eliminated.
